**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are in an era of growing monopolies, which only serve to benefit the CEOs, but not the consumers or the general economy. It is up to you to protect the consumer and small business owners. America is a nation based on freedom of competition and it is up to the government to uphold that core value.
